

**Woolworths Fissler Containers Promotion**  
**Frequently Asked Questions**

**General Program Information**

**1. How long will the Fissler Containers Promotion run for?**

The promotion runs from 00:01 AEST on 9 September 2026 until **the earlier of:**

- 23:59 AEDT on 8 December 2026; or
- The date that the stock of Containers is exhausted.

There are 2 phases during the promotion:

**Earn & Redeem Period:** You can both earn and redeem Container Credits from 9 September 2026 until 1 December 2026, while stocks last.

**Redeem Only Period:** From 2 December 2026, you can only redeem your Container Credits until 8 December 2026 while stocks last, unless all stock has been exhausted.

Tip: We recommend redeeming your Container Credits as soon as you reach your goal to ensure you don't miss out on your preferred Container. Container stock is limited and is not guaranteed to be available for the entire promotion. Stock of specific Containers may run out at different times.

**2. Who is eligible to earn Container Credits towards Fissler Containers products?**

In order to participate in this promotion, you must be an Australian resident aged 16 or over and have a registered Everyday Rewards Card.

If you are under the age of 18, you must obtain the consent of your parent or guardian to participate in this promotion.

**3. I am not an Everyday Rewards member but I want to participate in the promotion.**

To participate, you must be an Everyday Rewards member aged 16 or over with a registered Everyday Rewards Card and a valid email address linked to your Everyday Rewards account. You can sign up for free at [everyday.com.au](https://everyday.com.au)

**4. How do I earn Container Credits and how many credits do I need to get a Fissler Container product?**

**How to earn Container Credits:** You get **1 Container Credit** for **every \$20 you spend** at Woolworths Supermarkets, Woolworths Metro stores and Woolworths Online (excluding Everyday Market and MILKRUN) during the Earn & Redeem Period (excluding any money spent on Excluded Purchases, see FAQ 8 for more information).

Each Fissler Container product has a different Container Credit value:

| <b>Fissler Container Product</b>        | <b>Container Credits to redeem</b> |
|-----------------------------------------|------------------------------------|
| Fissler Glass Container 520ml           | 20                                 |
| Fissler Stainless Steel Container 800ml | 30                                 |
| Fissler Stainless Steel Container 1.2L  | 34                                 |
| Fissler Glass Container 1L              | 34                                 |
| Fissler Bento Box 930ml                 | 40                                 |
| Fissler Glass Container 1.5L            | 40                                 |

|                                                  |    |
|--------------------------------------------------|----|
| Fissler Large Glass Container 2.4L               | 50 |
| Fissler Mixing Bowl & 3pc Grater Set with lid 5L | 70 |

**5. How do I earn bonus Container Credits?**

You can earn **1 bonus Container Credit** when participating products are purchased in a qualifying \$20 shop from Woolworths Supermarkets, Woolworths Metro or Woolworths Online (excluding Everyday Market and MILKRUN) during the participating product's eligibility period. You can earn a maximum of **up to 3 bonus Container Credits** per participating brand per transaction (exceptions apply). See [Terms & Conditions](#) for details, a full list of participating brands, their eligibility periods and any exclusions.

**6. Where can I redeem Container Credits for Fissler Container products?**

You can redeem Container Credits for Fissler Containers products **IN-STORE ONLY** at Woolworths Supermarkets and participating Woolworths Metro stores (for a full list of participating Metro stores see [here](#)). Container Credits for Fissler Container products **cannot be redeemed online or via Direct-to-boot / Pickup orders**.

**7. What are the redemption options?**

You can redeem Fissler Container products in three ways:

- Redeem for **FREE** using Container Credits only ; or
- **Part-payment:** You can only use the part-payment option **if you do NOT have enough credits** to get the item for free. The part-payment option requires, and only works for, exactly **half the credits and half the cash**. If you do not have enough credits to cover the full half amount of the item, then you cannot use the part-payment option; or
- Pay **full purchase price**. Fissler Container products will also be available to be bought outright without being part of the promotion. Each Fissler Container product has a different Purchase Price.

Please see below:

| Product                                 | Container Credits to redeem | Part Payment (in AUD) plus Container Credits | Purchase Price (in AUD) at advertised purchase price |
|-----------------------------------------|-----------------------------|----------------------------------------------|------------------------------------------------------|
| Fissler Glass Container 520ml           | 20                          | \$10.00 plus 10 Container Credits            | \$20.00                                              |
| Fissler Stainless Steel Container 800ml | 30                          | \$15.00 plus 15 Container Credits            | \$30.00                                              |
| Fissler Stainless Steel Container 1.2L  | 34                          | \$17.00 plus 17 Container Credits            | \$34.00                                              |
| Fissler Glass Container 1L              | 34                          | \$17.00 plus 17 Container Credits            | \$34.00                                              |
| Fissler Bento Box 930ml                 | 40                          | \$20.00 plus 20 Container Credits            | \$40.00                                              |
| Fissler Glass Container 1.5L            | 40                          | \$20.00 plus 20 Container Credits            | \$40.00                                              |
| Fissler Large Glass Container 2.4L      | 50                          | \$25.00 plus 25 Container Credits            | \$50.00                                              |

|                                                  |    |                                   |         |
|--------------------------------------------------|----|-----------------------------------|---------|
| Fissler Mixing Bowl & 3pc Grater Set with lid 5L | 70 | \$35.00 plus 35 Container Credits | \$70.00 |
|--------------------------------------------------|----|-----------------------------------|---------|

Everyday Rewards dollars can be used towards part payment redemptions and outright purchases.

**8. Are there any products for which Container Credits cannot be earned?**

Excluded Purchases include purchases made at Everyday Market or MILKRUN from Woolworths, purchases of smoking/tobacco products and accessories, alcohol, Everyday Mobile (including recharge), Everyday Insurance, travel cards and tickets, lottery products, gift cards, carpet care products, cash outs, donations, expenditure on Delivery Fees, Bag Fees, Delivery Unlimited fees or purchases in excess of \$1,000 in one transaction or \$5,000 in multiple transactions across any consecutive 7 day period. The earning limits of \$1,000 in one transaction or \$5,000 in multiple transactions across any consecutive 7 day period are designed so that the benefits of promotions like this one are accessible and fairly distributed across our member base, in line with spend thresholds reflecting the average member shop. Please read the full Terms and Conditions for more information.

**9. Are there any other ways to get Fissler Container products?**

Fissler Container products are only available for redemption or purchase in-store at Woolworths Supermarkets and participating Woolworths Metro stores. In addition to redeeming the Fissler Container product with Container Credits, the Fissler Container products can also be purchased at the recommended retail price in-store or via Part-payment. For a full list of participating Metro stores see [here](#).

**10. Why are the Fissler Bento Boxes "Limited Edition"?**

Our Fissler Bento Boxes are a special addition to this collection, produced in a curated quantity specifically for this promotion. Given their unique appeal and expected high demand, we anticipate they will be among our fastest-moving items. If the Bento Box is top of your wish list, we recommend redeeming your credits early to make sure you don't miss out.

**11. Where can I see how many Container Credits I have?**

You can view your Container Credits in your Everyday Rewards account on the Everyday Rewards App (via the "Credits" quick button on the homepage) or by logging into the Everyday Rewards website.

Container Credits will also be displayed in the Woolworths App directly underneath your EDR points tracker, on the landing page [woolworths.com.au/containers](http://woolworths.com.au/containers) and in your Woolworths online account at the checkout (you must be logged in and have linked your Everyday Rewards Card in all instances).

If you are having trouble seeing your Container Credits in the Everyday Rewards App, you may not have the latest version of the App. Update the App and then you'll need to open the app, quit it, and then open it again.

Container Credits that have been earned during a shop will be displayed at the bottom of your receipt, however please note that any bonus Container Credits *may* take up to 7 business days to show in your Everyday Rewards account. When shopping online, Container Credits will not appear in your account until the order is dispatched or ready for pick-up.

**12. Are Container Credits the same as my Everyday Rewards points?**

No. Container Credits are valid for this promotion only and separate from your Everyday Rewards points. You will still earn Everyday Rewards points for your eligible shop during this promotion. The earning or redemption of Container Credits will not impact the collection or redemption of your Everyday Rewards points. See the full terms & conditions for Everyday Rewards [here](#)

**13. Do I need to ask for Container Credits?**

No. These will automatically be added to your Everyday Rewards account when you scan your Everyday Rewards card during an eligible shop during the promotion period. If you are shopping online, you will need to ensure your Everyday Rewards card is linked to your account to earn Container Credits. Find out how to link your Everyday rewards card to your Woolworths account here <https://www.woolworths.com.au/shop/discover/everyday-rewards>.

**14. Do I need to keep my physical receipts in connection to the promotion?**

You do not need to keep your physical receipts, as your eReceipts and credits are saved in your Everyday Rewards account when you scan your card at checkout, or link your card to your online account.

**15. Do I have to opt in to receive Container Credits if I'm an Everyday Rewards member?**

No, once your Everyday Rewards card has been scanned in a Woolworths Supermarket, Woolworths Metro or linked to your Woolworths Online account, Container Credits are automatically applied once the qualifying spend amount has been reached.

**16. I missed out on earning Container Credits in my last shop as I didn't use my Everyday Rewards card. Can I get them at a later date?**

Unfortunately there is no way to collect missed Container Credits if you forget to scan your card in-store or link it to your online account prior to completing your transaction. An Everyday Rewards card must be scanned or linked at the time of a Qualifying Shop to earn Container Credits.

**17. Can I earn Container Credits when I shop at my local Woolworths Metro?**

Yes, at any Woolworths Metro store you can earn Container Credits when you scan your Everyday Rewards card during a qualifying shop. However, only selected Woolworths Metro stores will have Fissler Container products available for you to redeem with your Container Credits. For a full list of participating Metro stores see [here](#).

**18. I shop online, can I still earn Container Credits?**

Yes. If you have your Everyday Rewards card linked to your Woolworths Online account, you will automatically earn Container Credits during an eligible shop. Find out how to link your Everyday Rewards Card to your Woolworths account here

<https://www.woolworths.com.au/shop/discover/everyday-rewards>

**19. Can I redeem my Container Credits for a Fissler Container product online?**

No. Everyday Rewards customers can only redeem Container Credits for Fissler Container products in-store at Woolworths Supermarkets and selected Woolworths Metro stores. Container Credits for Fissler Container products cannot be redeemed online.

**20. I placed an online order with some alcohol but haven't earned Container Credits for the whole order. Why not?**

Alcohol is part of the list of excluded purchases from the promotion and is not counted when calculating Container Credits. See the FAQ detailing excluded purchases.

**21. What if I cancel my Woolworths Online order?**

Container Credits will not be earned on cancelled orders.

**22. I did not receive an invoice with my online order, how can I see how many Container Credits I collected for my Online Shop?**

You can download the Everyday Rewards App or log onto the Everyday Rewards website. If you would like a copy of your receipt, you can find it online under My Account.

**23. Can Business customers (Woolworths at Work) collect Container Credits?**

No. You need to be an Everyday Rewards member and scan your card when you shop, or link it to your online account to collect Container Credits.

**24. Do I need to spend a minimum amount when I am redeeming my Fissler Container products using my Container Credits?**

No. Once you have enough Container Credits you can redeem a Fissler Container product in-store at Woolworths supermarkets or participating Woolworths Metro, as long as you scan your chosen container and your Everyday Rewards card. You don't need to make a purchase of any other product at the same time.

**25. Can I redeem more than one Fissler Container product during a single shop?**

Yes. Provided you have enough Container Credits, you can redeem multiple Fissler Container products during a single shop.

**26. Will my shopping from today count towards credits to get my free Container product in the same shop?**

To redeem your Fissler Container product for free, you need to have the amount of Container Credits needed for that Fissler Container product at the **start** of your transaction.

For example if you had 18 credits yesterday, and are spending \$40 today to earn 2 more credits, taking the total to 20 credits, you can only redeem a Fissler Container product for free in your next shop after earning the 2 new credits. This means if you wish to redeem on the same day you will need to finalise the first transaction and then redeem in a subsequent new transaction.

**27. If I shop with Scan&Go Mobile or Scan&Go Trolley, can I participate in the promotion?**

Scan&Go Trolley and Scan&Go Mobile customers can participate in this promotion.

**28. My local Woolworths Metro does not have the Fissler Container products and I have enough Container Credits, where can I get a Fissler Container product?**

Only selected Woolworths Metro stores will have Fissler Container products available for you to redeem with your Container Credits. You can also redeem your Container Credits for a Fissler Container product in-store at Woolworths Supermarkets near you, while stocks last. For a full list of participating Metro stores see [here](#).

**29. Will the item I'm saving my credits for still be in stock later in the promotion?**

Container stock is limited and is not guaranteed to be available for the entire promotion. Stock of specific Containers may run out at different times depending on their popularity. We therefore recommend redeeming your Container Credits as soon as you reach your goal to ensure you don't miss out on your preferred Container.

**30. I have changed my mind about a Container item I have redeemed - can I exchange it for another item or get a refund?**

Containers are not eligible for change of mind refunds or exchanges.

**31. My Fissler Container product is faulty. What should I do?**

Refer to the full [T&Cs](#) and the table below:

|                                               | Faulty                                                                                                                                                                                                                                                                                                            | Change of mind                                                                     |

| Customer redeemed Container using <b>Part Payment</b> | <b>Replacement option:</b> Replacement Container item will be offered in-store (either the same item, or of equal or greater value if no stock is available of the same or equal value item).<br><br>OR<br><br><b>Refund option:</b><br><br>In-store A refund to the original payment method for the amount paid will be offered in-store, or you can contact Everyday Rewards Customer Hub on 1300 101 234 (Option 1) to have the credit portion re-instated. |  |

**32. What happens at the end of the promotion if I have leftover Container Credits?**

Container Credits can only be used to redeem for Fissler Container products **until the earlier of:**

- Tuesday 8th December 2026, *or*
- The date that stock of Containers is exhausted.

After the 8th December 2026, the Container Credits will no longer be available in your Everyday Rewards account and are no longer valid.

**33. I had credits leftover from the previous campaign, can you transfer these over to me to use for this promotion?** Credits are specific to each promotion. As such, we are unable to use or transfer credits from a previous promotion. Container Credits are only valid for this promotion. Once the promotion ends, the Container Credits will no longer be available in your Everyday Rewards account and are no longer valid.

**34. What happens to leftover container credits? Can they be used for future promotions or converted into points or cash?** Container credits can only be used for this Fissler Container promotion during and while stocks last. They are not transferable and not redeemable for Everyday Rewards points or cash, as detailed in our terms and conditions.

**35. What happens if the Fissler Container product I want to redeem is out of stock in my store?**

If your store is out of stock of a particular Fissler Container product, you can check for the nearest local store with stock availability. This check function is available in 3 main ways:

- **Check via the Woolworths App:** You can view the Fissler Containers range in the Woolworths App, under the 'Products' tab. From there you will be able to navigate to the Premium Container range. Select the Fissler Container product you are interested in, and you will be able to see on the product tile either an 'in-stock' label, or if a product is not in stock in your selected store, it will display 'check stock' and you will be able to click there and view the availability in nearby stores. Note: the stock availability will first reflect the stock count of the store you have already nominated in the App as your selected store.
- **Check via the website:** Visit [woolworths.com.au/containers](https://www.woolworths.com.au/containers) and navigate to the Fissler Container product you are interested in, and you will be able to see on the product tile either an 'in-stock' label, or if a product is not in stock in your selected store, it will display 'check stock' and you will be able to click there and view the availability in nearby stores. Note: if you are already logged into the Woolworths website the stock availability will first reflect the stock count of the store you have already nominated as your selected store. If you are not logged in, it will reflect based on your location settings. Either option can be easily updated as required.
- **Check via Olive:** Visit [woolworths.com.au/containers](https://www.woolworths.com.au/containers), click the "Chat with Olive" tab, then type 'Container promotion' for more information about the promotion, including locating store stock.

You can also chat with Olive on the Woolworths app by tapping the Olive icon next to the search bar on the home page.

**Please note**, stock availability is refreshed every 2 hours for these products and will display either 'in-stock' or 'check stock' accordingly, based on the time that it is viewed. All Fissler Containers are available only while stocks last.

**36. What do you do with my personal information and do you share it with third parties?**

If you would like to find out more about privacy at Woolworths, you can find information at our Woolworths Group Privacy Centre [here](#) or read our Privacy Policy [here](#).

**37. If I am not currently an Everyday Rewards member, can I join to earn free Fissler Container products?**

Yes, you can join Everyday Rewards at <https://www.everydayrewards.com.au/> or in-store. New members who join Everyday Rewards will receive 5 Container Credits towards a free Fissler Container product. Offer applies to new Everyday Rewards members who sign up to the Everyday Rewards Program during the offer period advertised by Everyday Rewards. If you have a temporary card you can start earning Container Credits on that, but you won't be able to redeem any Fissler Container products until you have registered your account. For full terms and conditions on this offer please visit [everyday.com.au/containers](https://www.everyday.com.au/containers).

**Fissler Container Product Information, Usage & Care**

**38. Where are the Fissler Container Products made?**

The Fissler Container range is made in China.

**39. What should I do before I use the Fissler Containers?**

Please take the time to read the Use and Care Instruction Leaflet and Instruction Card which can be found in the product packaging. Handwash your containers in warm soapy water before the first use. You can also visit [www.tccuseandcare-fissler.com](http://www.tccuseandcare-fissler.com) for the latest use and care information for your new Fissler Container Products.

**40. Are the Fissler Containers dishwasher safe and what is the best way to clean them?**

Yes, all the Fissler Containers items are dishwasher safe. For the best results, we recommend handwashing the lids to help maintain the seal. Avoid using bleach, chlorine-based cleaners, steel brushes or abrasive polishing agents as these may damage the product. Always allow your storage containers to cool completely before washing or placing them on a wet or cold surface.

**41. Is the Fissler Mixing Bowl & Grater Set dishwasher safe?**

Yes, the bowl, grater inserts and lid are all dishwasher safe. The lid should be placed on the top rack only. If washing the grater insert by hand or when removing these items from the dishwasher, take extra care as they are sharp.

**42. Which items in the Fissler container range are microwave and oven safe and which are not? Are there any other considerations?**

| Products which ARE Microwave and Oven Safe* | Products which ARE NOT Microwave or Oven Safe^   |
|---------------------------------------------|--------------------------------------------------|

**43. Should I use oven gloves to handle the Fissler Containers that have been in the oven or microwave?**

The containers can become hot after heating in the microwave or oven, so always use dry oven gloves or mitts when handling hot containers. Never place a hot container on a wet or cool surface or directly on a countertop, metal surface or in the sink. Allow containers to cool completely before washing, refrigerating, or freezing. Note: Unlike the other containers, the Bento Box and Mixing Bowl Set are not microwave or oven safe.

**44. Can the Fissler containers be used in the air fryer or with other heat sources?**

No, they are not safe for the air fryer. Additionally, do not use on or under a flame or on other direct heat sources, including a stove top, broiler, grill, or toaster oven.

**45. Can I place hot food in the Bento Box?**

Yes, you can add hot food to the Bento Box but always allow it to cool before sealing the container.

**46. Are the Fissler containers freezer safe?**

Yes, the Fissler glass and stainless steel containers, including the Bento Box are -20°C / -4°F freezer safe. The Mixing Bowl Set is not freezer safe.

**47. Can the Fissler containers go straight from the freezer and into the oven or microwave for heating?**

No. If heating from frozen, food inside must be defrosted first. Additionally, the Bento Box is not oven or microwave safe.

**48. I am experiencing some yellow tinting on my Stainless Steel container after using it in the oven?**

The yellow or rainbow-like colouring is referred to as heat tinting and is a normal reaction that happens when stainless steel is exposed to very high temperatures (usually above 400–482°F / 200–250°C). At these high temperatures, a thin layer forms on the surface that reflects light and causes the colour change i.e a yellow, blue or brown tone. Don't worry, it's purely cosmetic. It's not rust and does not affect the food safety or the functionality of the container. If you want to try and remove any heat tinting from your container, you can try the following methods but avoid using steel wool or abrasive pads as they may scratch the surface and cause further staining.

- Vinegar Soak: Fill the container with white vinegar (diluted 1:1 with water), and let it sit for 15–30 minutes, then scrub gently with a soft sponge.
- Baking Soda Paste: Mix baking soda with a little water, apply to the tinted areas, gently scrub with a soft sponge.
- Stainless Steel Cleaner: A gentle stainless steel cleaner such as Bar Keeps Friend can also help remove heat tinting effectively.

**49. Are the Fissler Container products recyclable?**

The Fissler Container products are not recyclable, however, all of the packaging is fully recyclable in kerbside bins.

**50. What are the key features of each of the different Fissler Container products and what is the best way to use and care for them?**

- **Fissler Glass container 520ml The Everyday Essential:** Small in size but big on versatility, this container is perfect for daily use. It is ideal for storing snacks, cut fruit, dips, or saving extra portions. Crafted from durable borosilicate glass, you can use it in the fridge, or the oven, while the leakproof stainless steel lid keeps everything fresh and secure.

**Features:**

- Dishwasher safe (handwashing the lid is recommended to help extend its lifespan)
- Oven safe (glass base only. Remove lid) 250°C /482 °F
- Microwave safe (both lid and base) with vent open, lid shut in maximum two minute intervals
- Freezer safe (-20°C / -4°F)
- Leakproof
- Borosilicate glass (base)
- Stainless steel (lid) with silicone seal and vent
- Four-sided locking system, easy to open and close
- Dimensions: 13.7 x 13.7 x 6.5cm

**Care & Use:**

- Wash in warm soapy water before initial use
- Whilst all Fissler containers are dishwasher safe, for the best results we recommend handwashing the lids to help maintain the seal
- Remove lid before oven use – lid is not oven safe
- Caution: Product will be hot after heating. Always use oven mitts for safe handling.
- Do not microwave if the container or lid is dented or damaged
- Do not microwave empty containers
- Open the steam vent before heating for up to a maximum of 2 minutes, stirring between intervals as needed. Stainless steel heats differently to plastic or glass so short bursts of between 1 to 2 minutes give the best results
- Do not use on or under a flame or on other direct heat sources, including a stove top, broiler, grill, airfryer or toaster oven

- **Fissler Glass container 1L The Perfect Lunch Solution:** Sized for a full meal, this container is ideal for work or school lunches and planned-ahead leftovers. Crafted from durable borosilicate glass, you can use it in the fridge, or the oven. The non-porous glass prevents the absorption of stains and odors, while the leakproof stainless steel lid with steam-vent makes reheating mess-free.

**Features:**

- Dishwasher safe (handwashing the lid is recommended to help extend its lifespan)
- Oven safe (glass base only. Remove lid) 250°C /482 °F
- Microwave safe (both lid and base) with vent open, lid shut in maximum two minute intervals
- Freezer safe (-20°C / -4°F)
- Leakproof
- Borosilicate glass (base)
- Stainless steel (lid) with silicone seal and vent
- Four-sided locking system, easy to open and close
- Dimensions: 20.4 x 15.4 x 7cm

**Care & Use:**

- Wash in warm soapy water before initial use
- Whilst all Fissler containers are dishwasher safe, for the best results we recommend handwashing the lids to help maintain the seal
- Remove lid before oven use – lid is not oven safe
- Caution: Product will be hot after heating. Always use oven mitts for safe handling.
- Do not microwave if the container or lid is dented or damaged
- Do not microwave empty containers

- Open the steam vent before heating for up to a maximum of 2 minutes, stirring between intervals as needed. Stainless steel heats differently to plastic or glass so short bursts of between 1 to 2 minutes give the best results
  - Do not use on or under a flame or on other direct heat sources, including a stove top, broiler, grill, airfryer or toaster oven
- **Fissler Glass container 1.5L The Meal Prep Hero:** The ideal size when you need a little extra capacity, the 1.5L Glass Container is perfect for larger portions, batch cooking and shared meals making it a practical choice for both home storage and reheating. Made from durable borosilicate glass, it's safe to use in the fridge, or the oven. The stainless steel lid is also microwave safe to make reheating easy and help prevent mess and splatter, while four secure clips keep contents sealed and leakproof.

**Features:**

- Dishwasher safe (handwashing the lid is recommended to help extend its lifespan)
- Oven safe (glass base only. Remove lid) 250°C /482 °F
- Microwave safe (both lid and base) with vent open, lid shut in maximum two minute intervals
- Freezer safe (-20°C / -4°F)
- Leakproof
- Borosilicate glass (base)
- Stainless steel (lid) with silicone seal and vent
- Four-sided locking system, easy to open and close
- Dimensions: 22.7 x 17.2 x 7.5cm

**Care & Use:**

- Wash in warm soapy water before initial use
- Whilst all Fissler containers are dishwasher safe, for the best results we recommend handwashing the lids to help maintain the seal
- Remove lid before oven use – lid is not oven safe
- Caution: Product will be hot after heating. Always use oven mitts for safe handling.
- Do not microwave if the container or lid is dented or damaged
- Do not microwave empty containers
- Open the steam vent before heating for up to a maximum of 2 minutes\*, stirring between intervals as needed. Stainless steel heats differently to plastic or glass so short bursts of between 1 to 2 minutes give the best results
- Do not use on or under a flame or on other direct heat sources, including a stove top, broiler, grill, airfryer or toaster oven

- **Fissler Large Glass container 2.4L The Family-Size Saver:** Steps up for family-sized portions or bulk meal prep. With a generous capacity, it is the perfect solution for casseroles, roasts, or entertaining leftovers. With a leakproof stainless steel lid and oven-safe glass base, it simplifies prep, storage and reheating in one smart solution. Fewer dishes, more convenience - prep, bake it, serve it, and then snap on the lid for leftovers.

**Features:**

- Dishwasher safe (handwashing the lid is recommended to help extend its lifespan)
- Oven safe (glass base only. Remove lid) 250°C /482 °F
- Microwave safe (both lid and base) with vent open, lid shut in maximum two minute intervals
- Freezer safe (-20°C / -4°F)
- Leakproof
- Borosilicate glass (base)
- Stainless steel (lid) with silicone seal and vent
- Four-sided locking system, easy to open and close
- Dimensions: 22.7 x 17.2 x 13cm

**Care & Use:**

- Wash in warm soapy water before initial use
- Whilst all Fissler containers are dishwasher safe, for the best results we recommend handwashing the lids to help maintain the seal
- Remove lid before oven use – lid is not oven safe

- Caution: Product will be hot after heating. Always use oven mitts for safe handling.
  - Do not microwave if the container or lid is dented or damaged
  - Do not microwave empty containers
  - Open the steam vent before heating for up to a maximum of 2 minutes, stirring between intervals as needed. Stainless steel heats differently to plastic or glass so short bursts of between 1 to 2 minutes give the best results
  - Do not use on or under a flame or on other direct heat sources, including a stove top, broiler, grill, airfryer or toaster oven
- **Fissler Stainless steel container 800ml The On-the-Go Companion:** A lightweight yet durable solution designed for busy days, fitting easily into work bags or gym backpacks and won't weigh you down. It features a removable silicone divider to keep food organized and a clear tempered glass lid for easy visibility. Microwave, oven, freezer and dishwasher safe, it is the perfect size for snacks and smaller portions.

**Features:**

- Dishwasher safe (handwashing the lid is recommended to help extend its lifespan)
- Oven safe (stainless steel base only, remove lid. The silicone divider may be left in or removed prior to oven use.) 220°C / 428 °F
- Microwave safe (both lid and base) with vent open, lid shut in maximum two minute intervals. The silicone divider may be left in or removed prior to microwaving.
- Freezer safe (-20°C / -4°F)
- Leakproof
- Stainless steel (base)
- Tempered glass (lid) with silicone seal and vent
- Removable silicone divider to fit different sized food combinations and control portions
- Four-sided locking system, easy to open and close
- Dimensions: 20.3 x 15.4 x 5cm

**Care & Use:**

- Wash in warm soapy water before initial use
  - Whilst all Fissler containers are dishwasher safe, for the best results we recommend handwashing the lids to help maintain the seal
  - Remove lid before oven use – lid is not oven safe
  - Caution: Product will be hot after heating. Always use oven mitts for safe handling.
  - Do not microwave if the container or lid is dented or damaged
  - Do not microwave empty containers
  - Open the steam vent before heating for up to a maximum of 2 minutes, stirring between intervals as needed. Stainless steel heats differently to plastic or glass so short bursts of between 1 to 2 minutes give the best results
  - Do not use on or under a flame or on other direct heat sources, including a stove top, broiler, grill, airfryer or toaster oven
- **Fissler Stainless steel container 1.2L The Power Lunch Upgrade:** Built for bigger appetites and longer days, this container is lightweight yet robust and provides extra space for larger lunches, meal prep or hearty leftovers. The removable divider keeps flavours separate and portions just right, while the clear tempered glass lid lets you check contents without removing the lid.

**Features:**

- Dishwasher safe (handwashing the lid is recommended to help extend its lifespan)
- Oven safe (stainless steel base only, remove lid. The silicone divider may be left in or removed prior to oven use.) 220°C / 428 °F
- Microwave safe (both lid and base) with vent open, lid shut in maximum two minute intervals. The silicone divider may be left in or removed prior to microwaving.
- Freezer safe (-20°C / -4°F)
- Leakproof
- Stainless steel (base)
- Tempered glass (lid) with silicone seal and vent
- Removable silicone divider to fit different sized food combinations and control portions
- Four-sided locking system, easy to open and close

- Dimensions: 20.3 x 15.4 x 6.9cm

**Care & Use:**

- Wash in warm soapy water before initial use
- Whilst all Fissler containers are dishwasher safe, for the best results we recommend handwashing the lids to help maintain the seal
- Remove lid before oven use – lid is not oven safe
- Caution: Product will be hot after heating. Always use oven mitts for safe handling.
- Do not microwave if the container or lid is dented or damaged
- Do not microwave empty containers
- Open the steam vent before heating for up to a maximum of 2 minutes, stirring between intervals as needed. Stainless steel heats differently to plastic or glass so short bursts of between 1 to 2 minutes give the best results
- Do not use on or under a flame or on other direct heat sources, including a stove top, broiler, grill, airfryer or toaster oven

- **Fissler Bento box 930ml The Ultimate School or Work Day Solution:** Say goodbye to multiple messy containers. This sleek Bento Box makes packing fresh, delicious lunches simple and stress-free. It features a removable 3-compartment stainless steel tray to keep various foods separated, and a clear Tritan lid to see contents at a glance, with four secure clips to help prevent spills so you can carry it with confidence in your bag. Available in purple or green to add a pop of personality to your lunch break.

**Features:**

- Dishwasher Safe (handwashing the lid is recommended to help extend its lifespan)
- Freezer safe (-20°C / -4°F)
- Leakproof, ideal for on-the-go meals or snacks
- Removable stainless steel tray for easy cleaning and food separation
- Clear Tritan window lid for easy visibility of contents
- Four-sided locking system, easy to open and close
- Dimensions: 24.1 x 18 x 5.5cm
- Caution: not microwave or oven safe

**Care & Use:**

- Wash in warm soapy water before initial use
- Whilst all Fissler containers are dishwasher safe, for the best results we recommend handwashing the lids to help maintain the seal
- Caution: Product not microwave or oven safe
- The stainless steel insert tray can easily be removed from the base for easier cleaning and drying. Avoid using bleach, chlorine-based cleaners, steel brushes or abrasive cleaning agents

- **Fissler Mixing bowl & 3 piece grater set with lid 5L The All-in-One Prep Station:** More than a mixing bowl, this 5L stainless steel bowl cuts your prep time. It features three interchangeable stainless steel graters to slice or grate directly into the bowl, eliminating extra dishes and reducing mess. It also includes internal measuring markings for precision, a seal-tight lid for storage and a slip-resistant base for safety.

**Features:**

- 3 interchangeable stainless steel grating attachments allowing you to easily grate cheese and slice fruit and vegetables
- Internal measuring markings enabling accurate measuring directly in the bowl
- 5.0L capacity that is ideal for mixing, prep, storage, and serving
- Splash Guard that helps reduce splatter and mess when mixing
- Dishwasher Safe (bowl, grater inserts and lid). The lid should be placed on the top rack only. If washing the grater inserts by hand or when removing these items from the dishwasher, take extra care as they are sharp.
- Dimensions: 26.2 (L) x 26.2 (W) x 16cm (H)
- Caution: not microwave or oven safe

**Care & Use:**

- Wash in warm soapy water before initial use

- Whilst the bowl and attachments are dishwasher safe, the lid should be placed on the top rack only. If washing the grater inserts by hand or when removing these items from the dishwasher, take extra care as they are sharp.
- Caution: Product not microwave or oven safe
