

**Terms and Conditions
Woolworths Promotion
Fissler Containers**

While all of our terms and conditions are important (and we recommend you read them all), we would like to draw your particular attention to the following Terms and Conditions:

1. **Container availability:** Containers will be available for redemption in-store only until the earlier of 23:59 AEDT on 8 December 2026 or once stock of Containers is exhausted. Container stock is limited and is not guaranteed to be available for the Total Offer Period. Stock of specific Containers may run out at different times. Collecting Container Credits does not guarantee that your preferred Container will be in stock at the time you choose to redeem. Rainchecks are not available.
2. **Container Credit expiry:** Container Credits will expire at the end of the Promotion and cannot be converted to cash, Everyday Rewards points, or used towards other Everyday Rewards or Woolworths promotions.
3. **Bonus Container Credit limits:** There is a limit of three (3) Bonus Container Credits per Participating Brand per Qualifying Shop. Participating Brands (including their eligibility periods, any conditions, exclusions and minimum weight requirements) are set out in Annexure A.
4. **Limitation on our Liability:** We remain liable to you for any breach of the Australian Consumer Law. Beyond these obligations, we are not liable to you for any loss, damage, costs or liability arising from, or in connection with, your participation in the Woolworths Fissler Containers promotion.

1. These Terms and Conditions (**T&Cs**) govern the Woolworths Fissler Containers Promotion (**Promotion**) and should be read in conjunction with the [Everyday Rewards Terms and Conditions](#), and the [Woolworths Online Terms and Conditions](#) (as applicable). By collecting Container Credits, redeeming Woolworths Fissler Containers (**Containers**) and participating in this Promotion, you accept these T&Cs.
2. Participation is open to Everyday Rewards members in Australia aged 16 and over (**Eligible Members**). Holders of a registered Everyday Rewards card issued by the Promoter are eligible to collect Container Credits and redeem Containers. Holders of a temporary Everyday Rewards card will be able to collect Container Credits, but will not be able to redeem Containers until they register their Everyday Rewards card. Everyday Rewards members whose home country is New Zealand (as defined in the Everyday Rewards Terms and Conditions) are ineligible to participate.
3. The Promotion runs from 00:01 AEST on 9 September 2026 until the earlier of:
 - a. 23:59 AEDT on 8 December 2026; or
 - b. The date that stock of Containers is exhausted,

(Total Offer Period).

The Total Offer Period is made up of 2 distinct periods:

- i. Everyday Rewards members can earn Container Credits to use towards Fissler Container products from 9 September 2026 until 1 December 2026 (**Earn Period**).
 - ii. Members can still redeem Container Credits for Fissler Containers up until 8 December 2026 while stocks last, but from 2 December 2026, they cannot continue to earn Container Credits (**Redemption Period**).
4. Woolworths Supermarkets, participating Woolworths Metro stores, and Woolworths Online

(excluding Everyday Market and MILKRUN) are “**Participating Stores**” for this Promotion. Whilst Eligible Members are able to collect Container Credits on Qualifying Shops at all Woolworths Metro stores, they will only be able to redeem Container Credits at participating Woolworths Metro stores. For a full list of Woolworths Metro stores participating in the redemption of Container Credits, see [Annexure B](#).

5. Woolworths Group reserves the right to change the Offer Period at any time (including, without limitation, extending the Offer Period, Earn Period or Redemption Period, or finishing the Promotion sooner) in its sole discretion, and will provide reasonable notice where practicable of extending the relevant period or finishing the Promotion sooner.

Receipt of Container Credits

6. To participate, Eligible Members must spend at least AUD\$20 (excluding any money spent on Exclusions) in a single transaction at a Participating Store and scan or link their Everyday Rewards card in-store or online prior to completing their purchase (**Qualifying Shop**).
7. Eligible Members will be entitled to receive one (1) Container Credit loaded to their Everyday Rewards account (**Container Credit**) with every AUD\$20 spent in a Qualifying Shop (excluding any money spent on Exclusions) from 00:01 AEST on 9 September 2026 until 23:59 AEDT on 1 December 2026 (**Earn Period**). Each Qualifying Shop is calculated after all discounts and Exclusions have been applied.
8. **Exclusions** means purchases made on Everyday Market from Woolworths, purchases of smoking/tobacco products and accessories, alcohol, Everyday Mobile (including recharge), Everyday Insurance, travel cards and tickets, lottery products, gift cards, carpet care products, cash outs, donations, expenditure on Delivery Fees, Bag Fees, Delivery Unlimited fees and purchases in excess of \$1,000 in one transaction or \$5,000 in multiple transactions across any consecutive 7 day period.
9. For orders on [woolworths.com.au](https://www.woolworths.com.au) (**Woolworths Online**), the minimum spend is:
 - i. \$50 for Direct to book and Pick up (excluding Bag Fee and Service Fee);
 - ii. \$50 for Delivery (excluding Delivery Fee, Bag Fee, Service Fee and any Crate Service Fee; and
 - iii. \$30 for Direct to boot Now (excluding Bag Fee, Service Fee and Collection Fee).

Orders placed prior to the Offer Period with a pick up or delivery date scheduled during the Offer Period, as well as bulk orders, are not eligible for this Promotion. Customers cannot redeem Container Credits via Woolworths Online.

Bonus Container Credits

10. Subject to limits detailed at clause 8, Eligible Members who, during the Earn Period:
 - i. make a Qualifying Shop; and
 - ii. purchase a product from a Participating Brand during their respective eligibility period and in the quantity advertised at Annexure A in their Qualifying Shop,will collect one (1) bonus Container Credit (**Bonus Container Credit**).

For example, if an Eligible Member's Qualifying Shop totals AUD\$20 and includes two (2) products from a Participating Brand, that Eligible Member will receive one (1) standard Container Credit and two (2) Bonus Container Credits in total for their Qualifying Shop.

11. There is a limit of three (3) Bonus Container Credits per Participating Brand per Qualifying Shop. This means that in the example above, if an Eligible Member purchases four (4) products from a Participating Brand as part of their Qualifying Shop, they will only receive three (3) Bonus

Container Credits.

12. The Participating Brands (including their eligibility periods, any conditions, exclusions and minimum weight requirements) are set out in Annexure A. A Participating Brand will only be participating in the Bonus Container Credits mechanism during either 'Burst 1' or 'Burst 2'. Bonus Container Credits will not be awarded to Eligible Members if a participating product from a Participating Brand is not purchased during that Participating Brand's eligibility period.
13. Woolworths Group reserves the right, at its discretion, to:
 - i. amend or introduce further participating products or Participating Brands during the Offer Period that will entitle customers to receive Bonus Container Credits upon purchase, and will advertise any amendment or introduction of further participating products or Participating Brands; and
 - ii. offer additional methods to collect Container Credits. These offers may include the provision of Bonus Container Credits on certain days or upon the purchase of certain products. If such additional offers are implemented, Woolworths Group will communicate them publicly, for example through the Woolworths app, Everyday Rewards app, in-store and/or online.

Container Credits

14. Container Credits can only be used to redeem Containers during the Offer Period while stocks last and cannot be converted into cash or Everyday Rewards points. Container Credits are not transferable or exchangeable, cannot be redeemed for or substituted with cash, and cannot be used in conjunction with any other discounts or offers unless otherwise advertised.
15. Eligible Members can view how many Container Credits they have accumulated during the Offer Period at any time through: (a) checking their Everyday Rewards app; or (b) checking their account on the Everyday Rewards website at <https://www.everydayrewards.com.au/>.
16. When an Eligible Member makes a Qualifying Shop, their Container Credits will appear at the bottom of physical receipts and in the Everyday Rewards app.
17. There may be a delay of up to 7 business days before Container Credits are loaded onto the Eligible Member's Everyday Rewards account.

Redemption of Container Credits toward Fissler Containers

18. Container Credits can only be redeemed towards Containers in store at Woolworths Supermarkets and participating Woolworths Metro stores from 00:01 AEST on 9 September 2026 until the earlier of: (i) 23:59 AEDT on 8 December 2026 or (ii) once stock of Containers is exhausted. Containers cannot be redeemed via Woolworths Online.
19. The following Container items are available to be redeemed during the Redemption Period in accordance with the Redemption Options below:

Container	Redemption Options		
	Option 1: Container Credits only	Option 2: Part Payment (in AUD) plus Container Credits	Option 3: Full Payment (in AUD) at advertised purchase price
Fissler Glass Container 520ml	20 Container Credits	\$10.00 plus 10 Container Credits	\$20.00
Fissler Stainless Steel Container 800ml	30 Container Credits	\$15.00 plus 15 Container Credits	\$30.00
Fissler Stainless Steel Container 1.2L	34 Container Credits	\$17.00 plus 17 Container Credits	\$34.00
Fissler Glass Container 1L	34 Container Credits	\$17.00 plus 17 Container Credits	\$34.00
Fissler Bento Box 930ml	40 Container Credits	\$20.00 plus 20 Container Credits	\$40.00
Fissler Glass Container 1.5L	40 Container Credits	\$20.00 plus 20 Container Credits	\$40.00
Fissler Large Glass Container 2.4L	50 Container Credits	\$25.00 plus 25 Container Credits	\$50.00
Fissler Mixing Bowl & 3pc Grater Set with lid 5L	70 Container Credits	\$35.00 plus 35 Container Credits	\$70.00

20. Customers can redeem, part pay or purchase Containers in-store only at a Woolworths Supermarket, or participating Woolworths Metro store, while stocks last, as follows:

- a. Customers must take the Container they wish to redeem from the stand displayed to the checkout to purchase. Customers must scan their Everyday Rewards Card at the checkout to redeem the Container.
- b. Where customers have a sufficient number of Container Credits accumulated to redeem a Container item for free, Container Credits will **automatically** be redeemed once customers scan their Everyday Rewards Card at checkout.
- c. Where customers do not have sufficient Container Credits accumulated to redeem any of the Container items outright, customers will be prompted to part-pay for the remaining payment that may be required.

For example, if a customer wishes to purchase the Fissler Large Glass Container 2.4L that requires 50 Container Credits but only has 25 Container Credits accrued, 25 Container Credits will automatically be redeemed and the customer will be prompted to pay the remaining amount of AUD\$25.00 to purchase the Container. The part-payment option requires a 50/50 use of credits and cash. If you do have enough credits to cover the credit amount required for the item, then you cannot use the part-payment option.

- d. Customers will not be given a part-pay option where they have a sufficient number of Container Credits accrued to redeem any one of the Container items.

For example, if a customer wishes to redeem the Fissler Large Glass Container 2.4L that requires 50 Container Credits and the customer has 60 Container Credits accrued, 50 Container Credits will automatically be redeemed and the customer will have a remaining balance of 10 Container Credits. They will not be able to part-pay.

- e. Customers who wish to purchase the Container at the advertised purchase price can scan the item(s) at the checkout as they would ordinarily purchase any other item(s) in store.
- f. Customers who wish to redeem multiple Container items may redeem as many as possible using their Container Credits, starting with the most expensive product. Remaining Container Credits can be used as part payment, from most expensive to least expensive where they meet the part-payment thresholds. Any remaining Container products in the basket are charged at full advertised purchase price. Please note that the system will always require full redemption of a single item before allowing part-payment.

To illustrate, if a customer has 100 Container Credits accrued and wishes to purchase:

- ***1x Fissler Large Glass Container 2.4L that requires 50 Container Credits, and***
- ***1x Fissler Mixing Bowl & 3pc Grater Set with lid 5L that requires 70 Container Credits,***

then 70 Container Credits will be redeemed for the 1x Fissler Mixing Bowl & 3pc Grater Set with lid 5L (as it is the more expensive item), and 25 Container Credits will be redeemed for the 1x Fissler Large Glass Container 2.4L as it reaches the part-payment threshold. The customer will then be required to part-pay the remaining amount of AUD\$25.00 to purchase the 1x Fissler Large Glass Container 2.4L.

- g. If a customer has the exact amount of Container Credits accrued to redeem an item, but also wishes to purchase another, more expensive Container item, the system will automatically allocate the Container Credits to the Container item that can be redeemed completely with the Container Credits, instead of towards the more expensive Container item. This is because, as noted in sub-clause (e) above, the system will always require full redemption of a single item before allowing part-payment.

To illustrate, if a customer has 60 Container Credits accrued and wishes to purchase:

- ***1x Fissler Large Glass Container 2.4L that requires 50 Container Credits, and***
 - ***1x Fissler Mixing Bowl & 3pc Grater Set with lid 5L that requires 70 Container Credits,***
- then in this scenario, 50 Container Credits will be redeemed for the 1x Fissler Large Glass Container 2.4L. The customer will then be required to pay the remaining amount of AUD\$70.00 to purchase the 1x Fissler Mixing Bowl & 3pc Grater Set with lid 5L.***

21. Any other Container product other than the Fissler Containers specified in Clause 22, offered or sold by Woolworths is not eligible to be redeemed with Container Credits.
22. Container Credits will expire at the end of the Promotion. Container Credits may not be used towards other Everyday Rewards or Woolworths promotions.
